

## *Family Road of Greater Baton Rouge Solaris Awards Gala Sponsorship Levels*

Family Road of Greater Baton Rouge was created to bring together the best human services offered in the Greater Baton Rouge area. The mission of Family Road is to strengthen families through leadership, collaboration and coordination of community services in a warm and welcoming place. This is done through the collaboration of over 108 non-profit, private and government organizations working together to improve the Greater Baton Rouge community. Without these organizations and the programs they manage many individuals and families would not receive the assistance and support needed in facing day-to day and life changing challenges. The team work demonstrated by these organizations and their programs impact the lives of individuals, children and families in the Greater Baton Rouge community and our future!
